# DE. C. J. OWERS BANQUET

The following eloquent address I am your friend, breathe inte made at the Knights Templar ban m, ear your tal of wo, cast quit at Dothan last Friday might your builden upon my shaulder. here reproduced by request Eminent Commander, Sir Kn.ghts

ance to beauty and the chivalry memory with the happy recoiler of Knighthood was a trophy at frame of the rate and the chapts the feet of woman.

The permanence of our Knight bood is written in the experiences of men who have well considered Its corner the problem of life is the friendship of the ideals, its officers, the wants of humanity in every age. Its prints ples based on the life and charac ter of the gloriously young and splendidly martyred leader Christendom who nursed he youthful strength on unpersulable ideals. He faced fligh Prients und Sanhedrims and the stony predja dices and frozen formalities of he people and awoke the entlinesses of a faith in God which has kindled nineteen centuries. He is the spiritual Columbus of the ages who added the unseen world to the scen and enlarged, not by a hemisphère but by etermity the narrow scope of man's mortal

The age in which we live is bristling with profits and lossis and percentages. The war is on between commercialism and conscience and we are called upon to stating of bounts and thick down decide between greed and God. If their gliffetin building it. His this is true, then nothing could be feet. He were she with the polmore ennobling than for us to re flect upon these higher ideals which, impel us to believe that in the research dhe nit with the fees hand as he night a heng as put there is more virtue than vice in pure sweet snow which glotted and as blothere is and as blothere is and as blothere is and as blothere. the world and teaches us to have confid**en**ce ' fidelity of our
